As early as July 16, 1798, ch. 77, §4, 1 Stat. 606, contributions of 20 cents per month were taken from every active duty member for the relief of seamen. Paul Hamilton of South Carolina, secretary of the Navy under President James Madison legislated the Naval Hospital Act of Feb. 26, 1811 to provide for Naval Hospitals and the Naval Asylum. Distracted by the War of 1812 the Naval Asylum was not established until 1834, after the citizen's arrest, detention, trial by jury, lengthy appeal due to severe illness in re: *US v. Thomas Fillebrown, Secretary of Commissioners of Navy Hospitals* 32 US 28 7 Pet. 28 (1833). R.S. §4801 was derived from the act of Feb. 26, 1811. Abraham Lincoln wrote the Emancipation Proclamation at the Soldiers' Home, now called the Armed Forces Retirement Home, in Washington D.C. President Lincoln is also attributed with founding Freedmen's Hospital, and the Columbia Institution for the Deaf and Dumb. Legislation of the Soldier's and Airmen's Home is first attributed to R.S. §4815; Mar. 3, 1883, ch. 130, §10, 22 Stat. 565. R.S. §4825, related to organization of National Home for Disabled Volunteer Soldiers. R.S. §4838; related to Saint Elizabeths Hospital on July 1, 1916. R.S. §2038; related to Freedmen's Hospital act June 23, 1874. R.S. §4877 relating to National Cemeteries acts July 24, 1876. Gorgas Hospital is dated Mar. 24, 1928, ch. 240, §1, 45 Stat. 365. Hospitalization of Mentally Ill Nationals was legislated by Pub. L. 86-571, §1, July 5, 1960. The Armed Forces Retirement Home was legislated by Pub. L. 101-510, div. A, title XV, §1502, Nov. 5, 1990. Hospitals & Asylums has been amended many times, most recently so that section 302904 of title 54 was substituted for section 101(e)(3) of the National Historic Preservation Act (16 U.S.C. 470a(e)(3)) on authority of Pub. L. 113-287, §6(e), Dec. 19, 2014, 128 Stat. 3272, which Act enacted Title 54, National Park Service and Related Programs. This historical work is prepared for Veterans Day 11 November 2021 to consolidate the legislation with annotation regarding amendment and repeal.

§225. Findings and purposes

(a) The Congress makes the following findings:

- (1) Governmentally administered mental health services in the District of Columbia are currently provided through two separate public entities, the federally administered Saint Elizabeths Hospital and the Mental Health Services Administration of the District of Columbia Department of Human Resources.
- (2) The District of Columbia has a continuing responsibility to provide mental health services to its residents.
- (3) The Federal Government, through its operation of a national mental health program at Saint Elizabeths Hospital, has for over 100 years assisted the District of Columbia in carrying out that responsibility.
- (4) Since its establishment by Congress in 1855, Saint Elizabeths Hospital has developed into a respected national mental health hospital and study, training, and treatment center, providing a range of quality mental health and related services, including—
  - (i) acute and chronic inpatient psychiatric care;
  - (ii) outpatient psychiatric and substance abuse clinical and related services;
  - (iii) Federal court system forensic psychiatry referral, evaluation, and patient treatment services for prisoners, and for individuals awaiting trial or requiring post-trial or post-sentence psychiatric evaluation;
  - (iv) patient care and related services for designated classes of individuals entitled to mental health benefits under Federal law, such as certain members and employees of the United States Armed Forces and the Foreign Service, and residents of American overseas dependencies;
  - (v) District of Columbia court system forensic psychiatry referral, evaluation, and patient treatment services for prisoners, and for individuals awaiting trial or requiring post-trial or postsentence psychiatric evaluation;
  - (vi) programs for special populations such as the mentally ill deaf;
  - (vii) support for basic and applied clinical psychiatric research and related patient services conducted by the National Institute of Mental Health and other institutions; and
  - (viii) professional and paraprofessional training in the major mental health disciplines.

(5) The continuation of the range of services currently provided by federally administered Saint Elizabeths Hospital must be assured, as these services are integrally related to—

- (i) the availability of adequate mental health services to District of Columbia residents, nonresidents who require mental health services while in the District of Columbia, individuals entitled to mental

health services under Federal law, and individuals referred by both Federal and local court systems; and (ii) the Nation's capacity to increase our knowledge and understanding about mental illness and to facilitate and continue the development and broad availability of sound and modern methods and approaches for the treatment of mental illness.

(6) The assumption of all or selected functions, programs, and resources of Saint Elizabeths Hospital from the Federal Government by the District of Columbia, and the integration of those functions, resources, and programs into a comprehensive mental health care system administered solely by the District of Columbia, will improve the efficiency and effectiveness of the services currently provided through those two separate entities by shifting the primary focus of care to an integrated community-based system.

(7) Such assumption of all or selected functions, programs, and resources of Saint Elizabeths Hospital by the District of Columbia PDFPage:16 would further the principle of home rule for the District of Columbia.

(b) It is the intent of Congress that—

(1) the District of Columbia have in operation no later than October 1, 1993, an integrated coordinated mental health system in the District which provides—

(A) high quality, cost-effective, and community-based programs and facilities;

(B) a continuum of inpatient and outpatient mental health care, residential treatment, and support services through an appropriate balance of public and private resources; and

(C) assurances that patient rights and medical needs are protected;

(2) the comprehensive District mental health care system be in full compliance with the Federal court consent decree in *Dixon v. Heckler*;

(3) the District and Federal Governments bear equitable shares of the costs of a transition from the present system to a comprehensive District mental health system;

(4) the transition to a comprehensive District mental health system provided for by this subchapter be carried out with maximum consideration for the interests of employees of the Hospital and provide a right-of-first-refusal to such employees for employment at comparable levels in positions created under the system implementation plan;

(5) the Federal Government have the responsibility for the retraining of Hospital employees to prepare such employees for the requirements of employment in a comprehensive District mental health system;

##### (c) Report to Congress

The Mayor shall submit to Congress a report on the amount of purchases from foreign entities under this subchapter from foreign entities in fiscal years 1992 and 1993. Such report shall separately indicate the dollar value of items for which the Buy American Act was waived pursuant to any agreement described in subsection (a)(2), the Trade Agreement Act of 1979 (19 U.S.C. 2501 et seq.), or any international agreement to which the United States is a party.

References in Text. Title III of the Act entitled "An Act making appropriations for the Treasury and Post Office Departments for the fiscal year ending June 30, 1934, and for other purposes", approved March 3, 1933, referred to in subsec. (d), is title III of act Mar. 3, 1933, ch. 212, 47 Stat. 1520, known as the Buy American Act, which was classified generally to sections 10a, 10b, and 10c of former Title 41, Public Contracts, and was substantially repealed and restated in chapter 83 (§8301 et seq.) of Title 41, Public Contracts, by Pub. L. 111–350, §§3, 7(b), Jan. 4, 2011, 124 Stat. 3677, 3855. For complete classification of title III to the Code, see Short Title of 1933 Act note set out under section 101 of Title 41 and Tables. For disposition of sections of former Title 41, see Disposition Table preceding section 101 of Title 41. The Trade Agreement Act of 1979, referred to in subsec. (c), probably means the Trade Agreements Act of 1979, Pub. L. 96–39, July 26, 1979, 93 Stat. 144, as amended. For complete classification of this Act to the Code, see References in Text note set out under section 2501 of Title 19, Customs Duties, and Tables. This subchapter, referred to in subsec. (e), was in the original "this title" and was translated as reading "this Act", meaning Pub. L. 98–621, which is classified principally to this subchapter, to reflect the probable intent of Congress, because Pub. L. 98–621 does not contain titles.

Any person hospitalized under section 324 of this title or his estate, shall be liable to pay or contribute toward the payment of the costs or charges for his care and treatment to the same extent as such person would, if resident in the District of Columbia, be liable to pay, under the laws of the District of Columbia, for his care and maintenance in a hospital for the mentally ill in that jurisdiction. The Secretary may, in his discretion, where in his judgment substantial justice will be best served thereby or the probable recovery will not warrant the expense of collection, compromise or waive the whole or any portion of any claim under this section. If entitlement to such property is established to the satisfaction of the Administrator at any time during the three-year period, the Administrator shall distribute the decedent's property, in equal pro-rata shares when multiple beneficiaries have been identified, to the highest following categories of identified survivors (listed in the order of precedence indicated):
